Dear Mr. Scott

Re: Colbert Landfill\Dispute Resolution\Clarification of Issues

The Washington State Department of Ecology (Ecology) has received your letters of January 9 & 10, 1995, regarding Spokane County's invoking dispute resolution on the Colbert Landfill Project under the Consent Decree. Steve Thiele, our attorney, and myself have reviewed the letters and it is unclear to us as to which issues you believe are in dispute.

In order for us to respond, we need to have this clarified. Would you please provide us with this information?

If you have any questions regarding this letter, please contact me at (360)407-7239.

Sincerely,

Michael Kuntz
